

REMARKS/ARGUMENTS

Claims 2-6, 8 and 10-22 are pending. Claims 2-6, 8 and 10-15 are allowed. Claims 16-22 remain rejected because these did not recite the "vertex-based transformation" feature as pointed out by the Office Action. By this amendment, Applicant now adds this feature to claims 16-22 which should result in an allowance of these claims as well. Since no additional search is made necessary by this amendment, Applicant respectfully requests that the amendment be entered to advance the application to an allowance with all pending claims.

Respectfully submitted,
